Dr. Rittenbach joined Incyte Diagnostics in 2011 and serves as the laboratory medical director at Providence St. Mary Medical Center in Walla Walla, WA. He is board certified in anatomic and clinical pathology.

After graduating from Loma Linda University School of Medicine where he also completed his residency, Dr. Rittenbach completed a surgical pathology fellowship at the University of Colorado Health Sciences Center in Denver, Co.

Dr. Rittenbach actively serves in a leadership capacity with many professional organizations. He has participated in the medical executive committee as a member-at-large as well as the Cancer Center steering committee at Providence St. Mary Medical Center in Walla Walla, WA. Dr. Rittenbach has also acted as a tumor board chairman for both Providence St. Mary Medical Center and Walla Walla General Hospital.

In addition to working as a laboratory inspection team leader for the College of American Pathologists at the Yakima Regional Medical Center in Yakima, WA and Kadlec Regional Medical Center in Richland, WA, Dr. Rittenbach has served on the Walla Walla cancer committee, which oversees diagnostic treatment issues related to cancer care for patients of Providence St. Mary Medical Center and Walla Walla General Hospital.

Prior to moving to Washington, Dr. Rittenbach was an instructor at Loma Linda University School of Medicine where he taught human histology, pathology and Basic Anatomy and Physiology of the human body. He was also a special contributor to the *Digital Atlas of Breast*

Pathology by Meenakshi Singh, M.D.

Dr. Rittenbach is currently licensed in Washington, Idaho and California.
